

Memorandum

TO: Chairman Clifford Lucero and the Archuleta County Board of Commissioners
DATE: August 14, 2014
FROM: Bentley Henderson
RE: Veterans Park Fee Waivers

BACKGROUND

Over the course of the past few months you have had the opportunity to discuss, with the local non-profit group, Veterans for Veterans, the development of a new Veterans Park in Archuleta County. The group has been working with the Pagosa Lakes Property Owners Association to obtain a parcel from PLOPA for this park. One of the challenges faced by Vets for Vets is that the park site needs to be subdivided off of a larger parcel to facilitate its (the park's) development. Since Vets for Vets is a non-profit organization, all of the work necessary to complete both the subdivision of the property and the development of the park is being done by volunteers, and with donations.

SUMMARY

The request before you is for the waiver of land use application processing fees that would be due the county. Those fees include the following: \$850.00 Planning Fee and \$75.00 County Surveyor fee for a total amount of \$925.00.
