

ARCHULETA COUNTY
COLORADO STATE UNIVERSITY
EXTENSION

December 10, 2020

Hello County Commissioners,

Extension has 6 grow lamps and bulbs that are currently not being used. I would like to donate these to the Geothermal Greenhouse Partnership. This will help further their current efforts in growing fresh food year round and making donations to locals in need. I hope you consider this to be a good use of these lamps.

Thank you,

Robin Young
CSU Extension Director
