RE: Colorado Parks and Wildlife Commission Support Letter for Marie Haskett

Dear Governor Polis:

The Archuleta County Commissioners are writing to support the reappointment of Marie Haskett to the Colorado Parks and Wildlife Commission. She represents the values of the Western Slope and rural counties who deal directly with our tourism industry on public lands and the stewardship of said lands. Since 1987, she has operated an outfitting business and has intimate knowledge of the needs of both the land and the wildlife that make Colorado unique. Marie Haskett has demonstrated her qualifications for this role while serving on the Colorado Parks and Wildlife Commission. She represents Southwest Colorado and the user groups that interface with Colorado Parks and Wildlife in a professional manner.

The Archuleta County Commissioners gladly offer their support for the reappointment of Marie Haskett to the Wildlife Commission. She has proven a steward of the land by her great work during her first term and her wealth of experience and knowledge.

If you have any questions about our support of Marie Haskett's reappointment, please contact any of the Archuleta County Commissioners at the information provided above.

Respectfully,

Alvin Schaaf
Commissioner District 3

Ronnie Maez
Commissioner District 2

Warren Brown
