Commissioners to Decide on 1A Funds Allocation

At their regular meeting on September 15, 2009, the Archuleta County Board of Commissioners will review, discuss and approve the 1A Fund allocations for 2010.

In November, 2006 voters approved Ballot Measure 1A, stabilizing the property tax mill levy rate and removing the limitations of the Taxpayer's Bill of Rights (TABOR) for the next 5 years. A Commitment Letter was signed by the Board of County Commissioners in September, 2006 allocating 1A funding by percentage within specified categories as follows:

1A Fund Category	2008	2009
County Roads	40%	60%
Information Technology and Training	20%	10%
Parks and Recreation	20%	15%
County Facilities	20%	15%

In preparation for the Fiscal Year 2010 budget, the Board of County Commissioners will be determining the percent allocation for each category. The 1A allocation for Fiscal Year 2010 is estimated to be in excess of \$1.5 million.

A summary will be published providing information on the expenditures and funds available as of July 31, 2009. Input is encouraged to determine the percentage of distribution that will be allocated into each individual category.
