Landfill is Open After Fire

A fire broke out at the Archuleta County landfill on Saturday, September 13th. Crews from the Archuleta County Sheriff's Office, Pagosa Fire Department and Public Works Department worked throughout the weekend to contain the fire.

Chris Tanner, Interim Director of Public Works for Archuleta County said "The fire is still burning but it is under control." The landfill is currently open and will remain so unless blowing smoke or emergency vehicles cause some restrictions or brief closures.

For more information contact the Public Works Department at 264-5660 or Emergency Operations Center at 731-4799.
