PROST Task Force Calling for Projects

The Parks, Recreation, Open Space and Trails (PROST) Task Force of Archuleta County is calling for proposals from local organizations for projects that will enhance recreation opportunities for residents and visitors alike. Proposed projects must be compatible with the Parks, Recreation and Trails Master Plan, available at www.archuletacounty.org and may request up to \$8000. The PROST Task Force will consider all proposals and make recommendations to the BoCC for funding from the designated 1A funds. Preference will be given to proposals that engage significant community support as shown by in-kind and matching or donated funds from local sources.

Proposal applications are available from Karin Kohake, Special Projects Manager at kkohake@archuletacounty.org. The PROST Task Force meets the second Monday of each month in the Commissioners Meeting Room at the courthouse. Meetings start at 6:00 pm and are open to the public.

Check the website at www.archuletacounty.org for meeting information.
