Park Avenue Paving Project to Begin

Archuleta County's first major road capital improvement project for 2009 is underway. On Tuesday, March 31st, the Board of County Commissioners awarded Davis Engineering the contract for "Engineering Services for Paving Park Avenue and a Portion of Cloud Cap Avenue."

The scope of services is for the engineering and design for the asphalt paving of Park Avenue from North Pagosa Boulevard to Cloud Cap Avenue and Cloud Cap Avenue from the intersection with Park Avenue to Piedra Road for a total of approximately 2.1 miles of road reconstruction.

Adhering to an aggressive timeline, Davis Engineering commenced work immediately. Final design and engineering plans are due to the County on May 11th. The County will issue a Request for Construction Bids in early May with the plan to award the contract in early June. The project is scheduled to begin on June 15th.

Information regarding this project will be made available to the public on a continuous basis. Please check the website at www.archuletacounty.org for updates.
