

Planning for the Future of Archuleta County The 2010 Road Show

Please join us and give input into the future of Archuleta County in a public forum in your community!

The Planning Department is sponsoring a series of community discussions about land use issues focused on the areas in unincorporated Archuleta County. These discussions may lead to the development of neighborhood-based plans for each area.

Upcoming Meetings: (all meetings begin at 6:00 p.m.)
