Dear Mr. Timmins,

Archuleta County would like to request an extension of the grant deadline for REDI #21260 for Archuleta County Pagosa Springs Community Development Capacity until December 31, 2023.

Per our reports to DOLA, there have been some delays in the project due to unforeseen circumstances. We encountered transition in our Finance Department and Archuleta County's match in 2022 was used for Pagosa Springs CDC expenses but not as match for the REDI. We did provide the match in 2023 but are behind schedule in completing the grant requirements. However, the actual project is supporting the Pagosa Springs Community Development Corporation's successful hiring of an Executive Director and fulfilling all stated goals identified in the original grant.

We appreciate the opportunity to request an extension of the grant deadline and would like to assure you that we will continue to work diligently to complete the project as soon as possible.

Thank you for your understanding and continued support of our project. Please let us know if you need any additional information.

Sincerely,

A handwritten signature in black ink, appearing to read "Ronnie Maez".
