

Archuleta County
County Public Health Department
Internal Transitional Oversight Committee

398 Lewis Street ♦ P. O. Box 1507 ♦ Pagosa Springs, Colorado 81147 ♦ 970-264-8308

August 25, 2023

Dear Commissioners:

We, the undersigned members of the Archuleta County Public Health Department Internal Transitional Oversight Committee ("TOC"), hereby recommend that the Board of County Commissioners acting as the Board of Health disband the committee.

The TOC was established to work with the citizen Transitional Advisory Committee ("TAC") to provide recommendations for the programs to be offered when the County Public Health Department opens in January 2024. The TAC provided those recommendations to the Board of Health earlier this month and the Board of Health accepted them. Therefore, we don't believe there's further need for the TOC. Please note that the undersigned county staff will always be available to work individually with the Public Health Director and her staff as needed.

Thank you.
