Rise Above Violence Program Obligations

- a. Rise Above Violence staff will provide a Caring Dads program, consisting of a 17-week parenting intervention program for fathers who have exposed their children to domestic violence, and/or been directly physically abusive or neglectful to their children. This specialized program goes beyond advancing parenting skills to directly address traumatizing behaviors that affect their children. Empirically-based, the Caring Dads program promotes father-centered parenting, emphasizing that in order to improve their relationship with their children, and families, recognizing, responding, and correcting unhealthy, abusive behaviors is imperative. The program works to encourage and motivate change, not demean and chastise. Father's will gain knowledge of developmental needs of children, alternatives to punishment, and how to work together with their children's mother to co-parent as a positive, productive team, all while understanding how abuse and exposure to domestic violence affects the family system as a whole, not just the individual being harmed.

Intervention Goal: Initiate and facilitate two (2) 17-week Caring Dads programs by June 30, 2018.

- b. Rise Above Violence (*Rise*) staff is responsible for any eligibility determination and maintaining eligibility documentation.
